Opposition No. 91195692

The Solomon-Page Group LLC

v.

Clinical Resources Network

**George C. Pologeorgis,
Interlocutory Attorney:**

Applicant's consented motion (filed April 15, 2011) to extend its time to file its reply brief in support of its motion for summary judgment, as well as its opposition to opposers' cross-motion for partial summary judgment, up to, and including, May 17, 2011 is noted.

Trademark Rule 2.127(e)(1) provides that the timing for filing a reply brief in support of a motion for summary judgment will not be extended. Accordingly, applicant's consented motion to extend its time to file its reply brief is denied. Applicant's reply brief therefore remains due by **April 24, 2011**.

Applicant's consented motion to extend its time to respond to opposer's cross-motion for partial summary

judgment, however, is granted. Trademark Rule 2.127(e)(1). Accordingly, applicant's response to opposers' cross-motion for partial summary judgment is now due by May 17, 2011.

Inasmuch as the Board has granted applicant's motion to extend its time to respond to opposers' cross-motion for partial summary judgment, opposers' reply brief in support of its cross-motion will now be due twenty days from the date indicated on applicant's certificate of service of applicant's response to opposers' cross-motion for partial summary judgment.

As a final matter, in its April 14, 2011 supplemental suspension order, the Board inadvertently stated that opposers' cross-motion for partial summary judgment only concerns applicant's asserted affirmative defenses. Upon further review of opposers' motion papers, the Board notes that opposers' cross-motion for partial summary judgment also concerns opposers' priority and standing. The Board regrets this oversight. Notwithstanding the foregoing, the Board continues to request separate briefing for the parties' respective motions for summary judgment.

Proceedings otherwise remain suspended pending the disposition of applicant's motion for summary judgment and opposers' cross-motion for partial summary judgment.
