The grounds for this request are as follows: Parties are engaged in settlement discussions and have reached an agreement in principle. The additional time is needed for fully executed copies of the agreement to be finalized, for Applicant to make a required amendment to the identification of goods/services, and for Opposer to withdraw the opposition. Applicant's attorney was unable to secure explicit

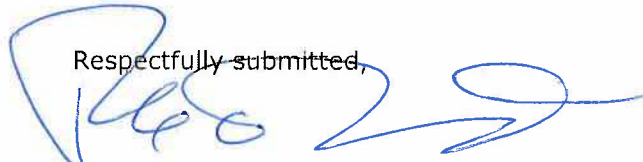

consent for this extension of time prior to close of business of the date on which the Answer was previously due, and elected to secure consent for this motion rather than filing an unconsented motion.

E-mail addresses for both parties are of record and repeated herein below so that any order on this motion may be issued electronically by the Board. WeMade Entertainment Co., Ltd. has secured the express consent of all parties to this proceeding for the reopening, extension, and resetting of dates requested herein.

Certificate of Service

The undersigned hereby certifies that a copy of this paper has been served upon all parties, via email by prior agreement between the parties, on this date.

Respectfully submitted,
