Opposition No. 91198643

Carlos Ramirez

v.

Fredrick J. Staves

**M. Catherine Faint,  
Interlocutory Attorney:**

Applicant filed on February 24, 2011 a communication which the Board reads as a motion to consolidate Opposition Nos. 91196016 and 91198643.<sup>1</sup>

When cases involving common questions of law or fact are pending before the Board, the Board may order the consolidation of the cases. See Fed. R. Civ. P. 42(a); *Regatta Sport Ltd. v. Telux-Pioneer Inc.*, 20 USPQ2d 1154 (TTAB 1991); and *Estate of Biro v. Bic Corp.*, 18 USPQ2d 1382 (TTAB 1991).

<sup>1</sup> Applicant did not include a certificate of service with the communication. Opposer may view the communication at: <http://ttabvue.uspto.gov/ttabvue/v?pno=91198643&pty=OPP&eno=4>. Strict compliance with Trademark Rule 2.119 will be required in all future filings with the Board as noted below.

03-24-2011

Opposition Nos. 91196016 & 91198643

Inasmuch as the parties to the instant proceedings are essentially identical and the issues are substantially the same, Opposition Nos. 91196016 and 91198643 are **hereby consolidated.**

The consolidated cases may be presented on the same record and briefs. See *Hilson Research Inc. v. Society for Human Resource Management*, 26 USPQ2d 1423 (TTAB 1993); and *Helene Curtis Industries Inc. v. Suave Shoe Corp.*, 13 USPQ2d 1618 (TTAB 1989).

The Board file will be maintained in Opposition No. **91196016 as the "parent" case.** As a general rule, from this point on the parties should no longer file separate papers in connection with each proceeding, but file only a single copy of each paper in the parent case. Each paper filed should bear the numbers of all consolidated proceedings in ascending order. Because the involved proceedings, however, were consolidated prior to joinder of the issues in the later proceeding, applicant should file **a separate answer for Opposition No. 91198643** before commencing the practice of filing a single copy of any paper in the parent case.

Despite being consolidated, each proceeding retains its separate character. The decision on the consolidated cases shall take into account any differences in the issues raised

by the respective pleading; a copy of the decision shall be placed in each proceeding file.

#### **NATURE OF BOARD PROCEEDINGS**

Applicant is advised that an *inter partes* proceeding before the Board is similar to a civil action in a Federal district court. There are pleadings, a wide range of possible motions; discovery (a party's use of discovery depositions, interrogatories, requests for production of documents and things, and requests for admission to ascertain the facts underlying its adversary's case), a trial, and briefs, followed by a decision on the case. The Board does not preside at the taking of testimony. Rather, all testimony is taken out of the presence of the Board during the assigned testimony, or trial, periods, and the written transcripts thereof, together with any exhibits thereto, are then filed with the Board. No paper, document, or exhibit will be considered as evidence in the case unless it has been introduced in evidence in accordance with the applicable rules.

#### **REQUIREMENT FOR SERVICE OF PAPERS**

The service requirements are set forth in Trademark Rule 2.119. Trademark Rules 2.119(a) and (b) and require that every paper filed in the Patent and Trademark Office in a proceeding

before the Board must be served upon the attorney for the other party, or on the party if there is no attorney, and proof of such service must be made before the paper will be considered by the Board.

Consequently, copies of all papers which either party may subsequently file in this proceeding, including applicant's answer to the notice of opposition, must be accompanied by a signed statement indicating the date and manner in which such service was made. Strict compliance with Trademark Rule 2.119 is required in all further papers filed with the Board.

The Board will accept, as *prima facie* proof that a party filing a paper in a Board *inter partes* proceeding has served a copy of the paper upon every other party to the proceeding, a statement signed by the filing party, or by its attorney or other authorized representative, clearly stating the date and manner in which service was made. This written statement should take the form of a "certificate of service" which should read as follows:

The undersigned hereby certifies that a true and correct copy of the foregoing [insert title of document] was served upon opposer by forwarding said copy, via first class mail, postage prepaid to: [insert name and address].

The certificate of service must be signed and dated. See also TBMP §113 (2d ed. rev. 2004).

**OPTION OF E-MAIL SERVICE**

The parties may agree to the email service option now available under Trademark Rule 2.119(b)(6) ("Electronic transmission when mutually agreed upon by the parties").<sup>2</sup> Should the parties decide to continue using traditional service options, the parties may consider agreeing at least to courtesy email notification when any paper is served.

**THE BOARD'S STANDARDIZED PROTECTIVE ORDER IS IN PLACE**

The Board's standard protective order is in place in this case governing the exchange of confidential and proprietary information and materials. The parties may substitute a stipulated protective agreement (signed by both parties). However, the Board will not become involved in a dispute over any substitution in view of the existence of the Board's standardized protective order.

**REPRESENTATION**

The Board notes applicant is representing himself. Applicant may do so. However, it should also be noted that while Patent and Trademark Rule 11.14 permits any person to represent itself, it is generally advisable for a person who is not acquainted with the technicalities of the procedural and substantive law involved in an opposition proceeding to

secure the services of an attorney who is familiar with such matters. The Patent and Trademark Office cannot aid in the selection of an attorney. In addition, as the impartial decision maker, the Board may not provide legal advice, though may provide information as to procedure.

#### **ELECTRONIC RESOURCES**

All parties may refer to the Trademark Trial and Appeal Board Manual of Procedure (TBMP) and the Trademark Rules of Practice, both available on the USPTO website, [www.uspto.gov](http://www.uspto.gov). The TTAB homepage provides electronic access to the Board's standardized protective order, a chart of the new rules and the text of the new rules (effective August 31, 2007 and November 1, 2007), and answers to frequently asked questions. Other useful databases include the ESTTA filing system<sup>3</sup> for Board filings and TTABVUE for status and prosecution history.

---

<sup>3</sup> Use of electronic filing with ESTTA, available through the USPTO website, is strongly encouraged. This electronic file system operates in real time. The filing party is also provided with a confirmation number that the filing has been received.

A party may also use first class mail. Correspondence required to be filed in the Office within a set period of time will be considered as being timely filed on the date of deposit in the mail if accompanied by a certificate of mailing.

#### **Certificate of Mailing**
