Opposition No. 91196336

Microsoft Corporation

v.

Bang Social Networking, LLC

On October 28, 2010, the Board issued a notice of default for failure of applicant to file an answer. The Board allowed applicant time to show cause why default judgment should not be entered against it.

On November 24, 2010, applicant filed an abandonment of its application Serial Nos. 77852338 and 77852667, with prejudice, and with opposer's written consent. This filing is also construed as opposer's consent to set aside the notice of default.

In view thereof, the notice of default is set aside and application Serial Nos. 77852338 and 77852667 stand abandoned with prejudice, and the opposition is dismissed without prejudice. See Trademark Rules 2.106(c) and 2.135.
