Opposition No. 91196784

Miss Elaine, Inc.

v.

LF USA Inc.

**Yong Oh (Richard) Kim, Interlocutory Attorney:**

On January 17, 2011, opposer filed a consented motion to suspend proceedings for settlement via ESTTA, the Board's electronic filing system. An order granting that motion was automatically generated and issued by the system but in contravention of the Board order issued on January 6, 2011, denying any suspension for settlement prior to the mandated discovery conference. In light of the prior Board order, opposer filed a second motion to suspend proceedings on January 17, 2011, with applicant's consent thereto, for purposes of settlement but now noting that the mandatory discovery conference was held between the parties on January 10, 2011.

As the Board views the second filing as a supplement to the first request for suspension, the parties' request for suspension is **GRANTED** and dates are reset in accordance with the schedule in the parties' motion filed on January 17, 2011.<sup>1</sup>

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
