Opposition No. 91196920

OSRAM AG (formerly OSRAM  
GmbH)

v.

Sunbeam Products, Inc.

Jennifer Krisp, Interlocutory Attorney:

These consolidated proceedings were suspended pending final disposition of Opposition No. 91171206. It is noted that Opposition No. 91171206 was terminated after OSRAM AG expressly abandoned application Serial No. 76633973.

It is also noted that an assignment from OSRAM GmbH to OSRAM AG was recorded with the USPTO Assignment Branch on December 2, 2011 at Reel/Frame 4670/0317. Accordingly, OSRAM AG is substituted as party plaintiff in these consolidated proceedings. See TBMP § 512.01.

Applicant Sunbeam Products, Inc. is allowed until twenty (20) days from the mailing date of this order in which to file a notice herein stating whether the motion to dismiss, which it filed November 23, 2010 in both of these

Opposition No. 91196904

consolidated opposition proceedings, remains a viable motion.

Furthermore, in the event that the Settlement Agreement referenced in the parties' September 12, 2012 filing in now-terminated Opposition No. 91171206 addresses any claims or defenses involved in these consolidated proceedings, the parties should file a notice stating this, as appropriate.

These consolidated proceedings otherwise remain suspended.
