Opposition No. 91197965

GEA Group Aktiengesellschaft

v.

GeaCom, Inc.

On December 7, 2011, the Board approved applicant's consented motion to amend the identification of goods in subject application Serial No. 77935615, allowed opposer time in which to file a withdrawal of the opposition, and noted that if opposer withdraws the opposition then applicant's earlier motion (filed January 26, 2011) to amend the dates of use would be granted without further delay. Later that same day, opposer filed a withdrawal of the opposition without prejudice and with applicant's consent.

In view thereof, the opposition is dismissed without prejudice, and applicant's earlier motion to amend the dates of use in subject application Serial No. 77935615 is granted.
