Opposition No. 91199560

Avnet, Inc.

v.

R&D Circuits aka RD Circuits

On June 10, 2011, the Board allowed applicant thirty days in which to submit opposer's written consent to the abandonment of its application Serial No. 85106196. No response has been received.

Trademark Rule 2.135 provides that if, in an inter partes proceeding, the applicant files an abandonment without the written consent of every adverse party to the proceeding, judgment shall be entered against applicant.

In view thereof, and because opposer's written consent to the abandonment is not of record, judgment is hereby entered against applicant, the opposition is sustained and registration to applicant is refused.
