**MOTION ON CONSENT TO AMEND APPLICATION AND,
IF ACCEPTED, TO WITHDRAW THE OPPOSITION ON CONSENT**

Pursuant to Rule 2.133 of the Trademark Rules of Practice, Applicant respectfully requests that the above-captioned application be amended by deleting the current identification of services "insurance services, namely, underwriting extended warranty contracts in the field of automobile repair for members of an association." in Class 36 and replacing it with the following bolded identification of services:

insurance services, namely, providing streamlined appraisal repair service
warranty contracts in the field of automobile repair for members of an association.

It is respectfully submitted that this amendment does not require republication as the amendment of the description of services narrows rather than broadens the scope of the application.

This amendment is made pursuant to an Agreement between Applicant and Opposer, who has consented to this amendment. If the amendment is approved by the Board, Opposer, with Applicant's consent, requests that the opposition be withdrawn without prejudice.

CONCLUSION

Applicant respectfully requests that this request to amend the application be granted in its entirety.
