Opposition No. 91200136

Hiwave Technologies
(UK) Limited

v.

World Wrestling
Entertainment, Inc.

Rochelle Adams, Paralegal Specialist:

It has come to the attention of the Board that the Board's order issued on August 23, 2013 should not have been granted upon the schedule set out in the opposer's July 25, 2013 motion. The opposer's July 25, 2013 motion was requesting to extend applicant's time to answer, and the parties had selected the incorrect form during the time they filed it via ESTTA. The Board notes applicant's answer was already filed on July 25, 2011.

The Board does not extend the discovery conference after an answer is filed, for settlement discussions. The parties are reminded that there is a continuing obligation to provide good cause in the form of detailed progress reports for any further extension or suspension request. Failing, which the request may be denied even if consented to by both parties.

In view thereof, the Board's suspension order is hereby modified to the extent that the parties are hereby allowed additional time for discovery period, since suspension period is over and remaining trial dates are reset below:

Discovery Opens	2/14/2014
Initial Disclosures Due	3/16/2014
Expert Disclosures Due	7/14/2014

Plaintiff's Rebuttal Disclosures	1/25/2015

In each instance, a copy of the transcript of testimony together with copies of documentary exhibits, must be served on the adverse party within thirty days after completion of the taking of testimony. Trademark Rule 2.125.

Briefs shall be filed in accordance with Trademark Rule 2.128(a) and (b). An oral hearing will be set only upon request filed as provided by Trademark Rule 2.129.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.
