**MOTION TO EXTEND TIME TO FILE ANSWER**

Applicant Weir Power & Industrial (“Applicant”), pursuant to TBMP 509.01(a) and Fed. R. Civ. P. 6(b), hereby requests a sixty (60) day extension of time to file an Answer, so that the parties can discuss possible settlement of the subject matter.

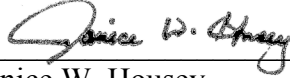

On July 14, 2011 Applicant’s counsel sent a letter to Opposer’s counsel by mail, facsimile and email, with a request with regard to settlement but as yet has received no response. On July 15, 2011 Applicant’s counsel attempted to contact Opposer’s counsel by telephone and left a voice mail message, including Applicant’s counsel’s office and cell phone numbers, but also received no response. Finally on the morning of July 18, 2011, Applicant called Opposer’s counsel again and also sent an email to Opposer’s counsel requesting Opposer’s consent to a 60-day extension of time to answer so that the parties could discuss Opposer’s concerns and determine whether the matter could be settled, but has received no response.

WHEREFORE, Applicant requests a 60 day extension of time to Answer the subject opposition with the hope that the matter can be settled prior to the end of the extension period.

Respectfully submitted,

Weir Power & Industrial
