**SUPPLEMENTAL RESPONSE TO BOARD ORDER**

Applicant Nature & Innovation hereby submits a supplemental response to its Response to Board Order filed April 25, 2013 with the Trademark Trial and Appeal Board in the above-referenced opposition proceeding. Applicant's Response to Board Order indicated that it is "not proper for the Board to enter judgment as to 'beers'." As a supplement to Applicant's Response, and to clarify the record, Applicant submits that this was a misstatement and that it is proper for the Board to enter judgment as to "beers," insofar as a judgment formalizes the amendment to delete "beers." Indeed, Applicant, with Opposer's consent, previously amended the above-referenced application to delete "beers," which was done pursuant to settlement reached between the parties. Thus, Applicant hereby requests that the Board enter "judgment" as to "beers" by deleting it from the goods identification in the above-referenced application.

Respectfully submitted,

NATURE & INNOVATION
