**CONSENTED MOTION TO AMEND APPLICATION AND SUSPEND**

Applicant, Power Corporation of Canada ("Applicant"), respectfully moves for the amendment of the description of services in Trademark Application No. 77/113,744 for the mark IMPACT INVESTING as follows:

Please delete the current identification of services in Class 36 and substitute the following:

Corporate investment management and consulting services, namely, capital investment and capital investment consulting services provided to existing businesses, in Class 36.

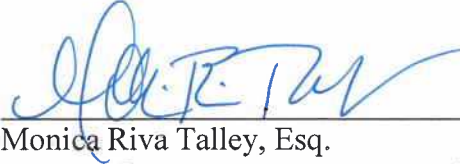

The proposed amendment is limiting in nature – in terms of both the audience (existing businesses) to which its investment management and consulting services are directed, and in the specific nature of these services -- and is thus in compliance with Trademark Rule 2.71. Opposer Thomas Moser ("Opposer") consents to this amendment in accordance with Trademark Rule 2.133.

Applicant respectfully requests that the Board suspend action on this opposition until a determination has been made with respect to this motion. Applicant notes that a corresponding motion consenting to this same amendment is concurrently being filed

today with respect to co-pending Opposition No. 91202078.

Respectfully submitted,

Date: August 28, 2013
