ENTERTAINMENT PUBLICATIONS, LLC,)

NOTICE OF OPPOSITION

In the matter of applications to register trademarks under the Trademark Act of 1946, Serial Nos. 85/104,744 and 85/104,793, filed August 11, 2012, published for opposition in the Trademark Official Gazette of May 17, 2011, Vol. 1366, No. 3, at pages TM 260-261, for the mark CROWN DESIGN, in the name of Entertainment Publications, LLC, the Opposer, TBC Retail Group, Inc., believes it may be damaged by registration of said alleged trademarks and hereby opposes same. The grounds for opposition are as follows:

1. The Opposer, TBC Retail Group, Inc. ("TBC"), is a corporation organized and existing under the laws of the State of Florida and having its place of business at 823 Donald Ross Road, Juno Beach, Florida 33408. TBC markets, distributes and sells, throughout the world and in commerce, a variety of vehicle products, provides retail store and online services, and provides maintenance and repair services.

3. Commencing prior to the filing date of each of the applications opposed herein, TBC has, and is now, engaged in the advertising, marketing, distribution and sale of vehicle products and services, retail store and other services – including through distribution of coupons, discount offers,

and electronic consumer coupons – in commerce in the United States, under and in connection with fanciful crown designs (alone and with other words, designs, and/or symbols), as exemplified by Opposer’s U.S. trademark registrations, attached hereto (hereafter referred to as “TBC’s **CROWN DESIGN** marks). TBC continuously has used TBC’s **CROWN DESIGN** marks, in commerce in connection with the products, services and stores of TBC, and to identify and designate same, and to distinguish those goods, services, stores and business from those of others.

4. Opposer is the owner of, and will rely on herein, the following U.S. registrations:

REGISTRATION NUMBER	ISSUE DATE
2,362,324	June 27, 2000
2,850,390	June 8, 2004
2,864,332	July 20, 2004
3,227,224	January 20, 2006
3,337,224	April 10, 2007

Attached hereto are printouts of information from the electronic database records of the U.S. Patent and Trademark Office showing the current status and title of each of these registrations. Said registrations operate as conclusive and/or *prima facie* evidence of Opposer’s ownership of the marks set forth therein and exclusive right to use same in commerce in connection with the goods and services listed in those registrations. See 15 U.S.C. §1065.

5. On August 11, 2010, Applicant filed applications to register certain CROWN DESIGN marks. Said applications were accorded serial nos. 85/104,744 and 85/104,793, and were

published for opposition in the Official Gazette of May 17, 2011, at pages 260-261, identifying the goods and services as follows:

downloadable software in the nature of a mobile application for management and retrieval of merchant lists and merchant information including discount offers and electronic consumer coupons for immediate or future use by consumers, in Class 9; books, booklets, and non-magnetically encoded printed coupon and discount cards all which entitle the holder to receive discounts on dining, hotel accommodations, consumer merchandise, travel, movies, sports, theater, and other leisure activities sold separately or as part of a unit, in Class 16;

advertising and promotional services, namely, promoting the goods and services of others through the distribution of coupons, and discount offers which entitle the holder to receive discounts on dining, hotel accommodations, consumer merchandise, travel, movies, sports, theater and other leisure activities; providing advertising service through the distribution of advertisements, coupons and discount offers for display on internet, namely, in websites, e-mails and multimedia messages; providing via on-line computer services a membership program entitling the participants to receive discounts on dining, hotel accommodations, consumer merchandise, travel, movies, sports, theater and other leisure activities, and providing in connection therewith an on-line directory of information about the discount program and participating businesses, in Class 35; and

charitable fundraising services effected through a membership program which entitles the participants to distribute coupons and discount offers which allows the holder to receive discounts on dining, hotel accommodation, consumer merchandise, travel, movies, sports, theater and other leisure activities, in Class 36.

6. On information and belief, Applicant's CROWN DESIGN marks sought to be registered by Applicant are a colorable imitation of, and/or are confusingly similar to, TBC's **CROWN DESIGN** marks as used by TBC.

7. The goods and services set forth in the applications opposed herein are similar and/or related to the manner in which TBC has used TBC's **CROWN DESIGN** marks to advertise and/or promote TBC's goods, services and/or business, and on information and belief, the goods and services set forth in the opposed applications are and/or will be sold through the same and/or similar channels of trade, and/or to the same general class of purchasers, in and to which Opposers' products and services are marketed and/or sold.

8. On information and belief, the registration and/or use of the CROWN DESIGN marks, as set forth in the opposed applications, is likely to cause confusion, mistake, and/or to deceive as to origin, sponsorship, and/or association of Applicant's goods and services to be sold under the opposed mark sought to be registered by Applicant vis-a-vis TBC's **CROWN DESIGN** marks as used by TBC to advertise and promote TBC's goods, services and/or business, and/or to mislead purchasers of Applicant's and/or Opposer's goods and/or services, and/or the public in general, into believing that Applicant's goods and services and/or those of Applicant's customers, are sold by, emanate from, and/or in some way, directly or indirectly, are associated with TBC,

and/or TBC's **CROWN DESIGN** marks, products, services and/or business, or vice versa, to the damage and detriment of Opposer.

9. By virtue of the foregoing, Opposer believes it may be damaged by the registration by Applicant of the CROWN DESIGN marks, as set forth in the applications therefor, Serial Nos. 85/104,744 and 85/104,793.

10. If Applicant is granted the registrations opposed herein, and Applicant obtains such rights as conferred under the Principal Register of the Trademark Act of 1946, Applicant may obtain unlawful gain and advantage to which it is not entitled under the Trademark Act of 1946, to the detriment and harm of Opposer.

WHEREFORE, Opposer, TBC Retail Group, Inc., believes and alleges that it may be damaged by registration of the CROWN DESIGN marks of application Serial Nos. 85/104,744 and 85/104,793, as aforesaid, and prays that:

- A. judgment in the present opposition be entered in favor of Opposer;
- B. the present opposition be sustained;
- C. registration of application Serial No. 85/104,744 be rejected and refused; and

D. registration of application Serial No. 85/104,744 be rejected and refused.

Respectfully submitted,

TBC RETAIL GROUP, INC.
