Applicant.

Ser. No. 85-218825

Opposition No. 91201630

**Opposers' Response to Applicant's Request For
Extension of Discovery or Trial Periods Without Consent**

In response to Applicant's Request For Extension of Discovery or Trial Periods Without Consent ("Applicant's Extension Request"), received by Opposers' counsel on October 24, 2011, by email, Opposers submit the following:

(1) Opposers acknowledge consent to applicant's request for a 30 day extension of time for applicant to file his Answer. Applicant notes in Applicant's Extension Request that he has filed a "consent motion for an extension of the Time to Answer." To date, Opposers have not received a copy of such consent motion.

(2) As noted in Applicant's Extension Request, Opposers have not consented to an extension of the discovery or trial periods, nor is such an extension request necessary.

(3) Contrary to Applicant's claim in Applicant's Extension Request, Applicant did not request and Opposers have not agreed to service by email. Given the apparent service delivery issues, noted in paragraph 1 above, counsel for Opposers requests that Applicant effect service by mail to ensure receipt of all documents filed.

Please charge any fees due in connection with this Response to Deposit Account No. 033975 - 9970.

Respectfully submitted,
