Mailed: June 27, 2012

Opposition No. **91201937**

Sleek Sensation, Ltd.

v.

Soft 'N Sleek Inc.

Andrew P. Baxley, Interlocutory Attorney:

The Board's June 26, 2012 order is amended as follows:
page 2 at line 6, substitute "10" for "11."

On June 25, 2012, applicant filed a second notice of appeal herein, in which it indicated that it intends to appeal the Board's April 24, 2012 denial of applicant's request for reconsideration of the Board's November 10, 2011 denial of applicant's motion to dismiss this opposition for lack of jurisdiction to the United States Court of Appeals for the Federal Circuit.

The second notice includes no stamp or other indicia that it has actually been filed with the Federal Circuit. See June 26, 2012 order at 2, fn. 3. Moreover, as noted in the June 26, 2012 order, any appeal of the April 24, 2012 order to the Federal Circuit is premature at this time.

Accordingly, the Board finds that this case should move forward. Dates remain as last reset in the April 24, 2012 order.
