Opposition No. 91201937

Sleek Sensation, Ltd.

v.

Soft 'N Sleek Inc.

By the Trademark Trial and Appeal Board:

Opposer's motion (filed March 11, 2013) for entry of default judgment, as a sanction for applicant's failure to comply with the Board's December 11, 2012 order compelling discovery, is granted as conceded.¹ See Trademark Rules 2.120(g)(1) and 2.127(a).

The opposition is sustained, judgment is entered against applicant, and registration of applicant's involved mark is refused.

¹ Opposer's certificate of service does not include a date on which the motion for default judgment was mailed to applicant. However, because the certificate of service states that the motion "was served," the Board presumes that motion was concurrently with the filing thereof.
