v.

Modernizing Medicine, Inc.

**M. Catherine Faint,
Interlocutory Attorney:**

Proceedings herein are suspended pending disposition of the motion to compel and to test sufficiency of responses to requests for admissions, (filed April 25, 2012) except as discussed below. The parties should not file any paper which is not germane to the motion to compel. See Trademark Rule 2.120(e)(2).

This suspension order does **not** toll the time for either party to make any required disclosure, to respond to discovery requests which had been duly served prior to the filing and service of the motion to compel, or to appear for a discovery deposition which had been duly noticed prior to the filing and service of the motion to compel. See *Id.* The motion to compel will be decided in due course.
