The grounds for this request are as follows:

- *Parties are engaged in settlement discussions*
- *The parties to continue to work towards settlement of this matter. Since the last extension Applicant's counsel held discussions with Applicant regarding the settlement of this matter. Opposer's counsel and Applicant's counsel also held a telephone conference to discuss the proceedings. Opposer's in-house counsel was unable to complete its review of the draft agreement during the last extension period because of unrelated matters, including Spring Training and the start of the Major League Baseball season. The additional time is requested to allow Opposer's in-house counsel to complete its review of the agreement, and for the parties to continue to work towards settlement of this matter. If accepted, the settlement agreement would resolve this matter without the need to proceed with the opposition proceedings.*

The Cincinnati Reds LLC has secured the express consent of all other parties to this proceeding for the extension and resetting of dates requested herein.

The Cincinnati Reds LLC has provided an e-mail address herewith for itself and for the opposing party so that any order on this motion may be issued electronically by the Board.
