v.

Kent G. Anderson

Eric McWilliams, Supervisory Paralegal:

On October 2, 2012, the Board issued a show cause order for applicant's failure to file an answer or response to the notice of opposition. It has come to the Board's attention that applicant did in fact file an answer to the notice of opposition on September 17, 2012, which was not associated with the electronic record until after the show cause order was issued by the Board.

In view thereof, the notice of default issued on October 2, 2012, is hereby vacated and applicant's answer dated September 17, 2012 is made of record.

Trial dates remain as previously set in the Board's July 19, 2012 order.¹

¹Applicant's response to the show cause order dated October 9, 2012, is also noted. However, the certificate of service included with the October 9, 2012 response does not indicate that the response was served on the counsel for opposer as required by Trademark Rule 2.119. Applicant is reminded of its obligation to serve and provide proof of service to the Board of any document filed. A copy of the response is included with opposer's copy of this order.
