v.

E-filliate, Inc.

Motion for 90 Day Extension of time.

Opposer , ICOURIER SOFTWARE SYSTEMS LTD., respectfully requests a 90 day extension of time for the Expert Disclosures Due date and to extend by 90 days discovery and all other dates set by the Trial and Appeal Board.

Opposer contacted Applicant at the end of last week suggesting a short extension to discuss settlement, and is still awaiting a response.

Therefore , the reason for the request is that Opposer would like to have sufficient time to engage in settlement discussions to try and find a solution.

Opposer therefore requests that the present motion be granted to extend all dates as set by the Trial and Appeal Board by 90 days.

Respectfully submitted,
