**IN THE UNITED STATES PATENT AND TRADEMARK OFFICE
BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD**

NOVARTIS AG,

Opposer,

-against-

LEO PHARMA A/S,

Applicant.

Opposition No. 91203570

**MOTION ON CONSENT (a) TO PERMIT POST-PUBLICATION
AMENDMENT; (b) TO SUSPEND OPPOSITION; and (c) FOR
CONDITIONAL DISMISSAL OF OPPOSITION WITH PREJUDICE**

Novartis AG (“Opposer”) and Leo Pharma A/S (“Applicant”) hereby move to amend by post-publication amendment the presentation of the mark LORSIMA as contained in Application Serial No. 85/261,150, which application is the subject of the opposition; to suspend the opposition pending the Board’s review of the amendment; and to dismiss the opposition with prejudice conditioned upon acceptance of the amendment.

Applicant requests that the description of claimed goods in the Application Serial No. 85/261,150 be amended to read as follows: “pharmaceutical preparations for the treatment of skin disorders, skin infections and skin cancers (excluding those specifically for the treatment of acne and for hormone related diseases); anticoagulants.” Because this proposed amendment is in the nature of a limitation and no re-publication would be required, it is permissible.

Opposer and Applicant also jointly move to suspend the above-referenced opposition pending review of the proposed amendment. The parties further consent that upon the approval

and entry of the proposed amendment to Application Serial No. 85/261,150, the opposition and all claims asserted therein be dismissed with prejudice.
