Opposition No. 91204929

Johnson & Hill LLC

v.

Benjamin F. Hill

**George C. Pologeorgis,  
Interlocutory Attorney:**

On May 1, 2013, applicant filed (1) a motion for involuntary dismissal for failure to prosecute and (2) a notice of errata regarding his motion for involuntary dismissal.

It has come the Board's attention that neither applicant's motion nor his notice of errata demonstrates proof of service of the same upon opposer, as required by Trademark Rule 2.119.

In order to expedite matters, copies of the foregoing are forwarded to opposer with a copy of this order. Applicant and its counsel are reminded of their service obligations under Trademark Rule 2.119. If applicant fails to demonstrate proof of service of any future filings with the Board, the Board **will not** consider such filings.

Notwithstanding the foregoing, opposer is allowed **twenty (20) days** from the mailing date of this order in which to file and serve a response to applicant's motion, failing which applicant's motion for involuntary dismissal may be granted as conceded. See Trademark Rule 2.127.

Proceedings are otherwise suspended pending the disposition of applicant's motion for involuntary dismissal.
