BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD**

In the matter of Application Serial No. 85/326861

For the Mark: CONDOM ON BOARD! & Design

Filed: May 22, 2011

Published: November 8, 2011

Dorel Juvenile Group, Inc., Cosco
Management, Inc.,

Opposers,

vs.

Carlyle Hanson

Applicant.

Opposition No.: _____

NOTICE OF OPPOSITION

Dorel Juvenile Group, Inc. and Cosco Management, Inc., United States corporations with a common principal place of business at 25 Forbes Boulevard, Suite 4, Foxboro, MA 02035 (collectively "Opposers") believe that they will be damaged by the registration of the trademark CONDOM ON BOARD! & Design, as represented in Application Serial No. 85/326861, in connection with "Denims; Jeans; Jeggings, namely, pants that are partially jeans and partially leggings; Pants; Sports pants" in International Class 25, and hereby oppose the registration of the Application.

As grounds for its opposition, Opposers allege as follows, with knowledge concerning its own acts, and on information and belief as to all other matters:

1. Opposers Dorel Juvenile Group, Inc. Cosco Management, Inc. and their related entities own and control the famous BABY ON BOARD brand and United States trademarks.

2. Opposers have used BABY ON BOARD as a trademark since at least as early as 1984.

3. As a result of Opposer's long and substantially exclusive use of the BABY ON BOARD mark, purchasers around the world have come to associate the mark with Opposers.

4. The BABY ON BOARD trademark is distinctive.

5. As a result of the significant sales, promotion, and widespread use, the BABY ON BOARD mark has become widely recognized by the general consuming public of the United States as a designation of source of the goods of Opposers and is a famous mark.

6. Applicant commenced use of Applicant's mark in commerce after the BABY ON BOARD mark became famous.

7. Applicant's use and registration of the subject mark is likely to dilute the BABY ON BOARD Marks through blurring and tarnishment, because a consumer viewing Applicant's mark would either conclude that the BABY ON BOARD Marks are in some way associated with Applicant's goods, therefore associating the BABY ON BOARD Marks less strongly or exclusively with Opposers, or would perceive the BABY ON BOARD Marks in a negative way that harms the reputation of the BABY ON BOARD Marks.

8. Through the long-term use of the BABY ON BOARD Marks, Opposers have developed substantial goodwill in the BABY ON BOARD Marks.

9. Opposers' BABY ON BOARD Marks have acquired distinctiveness and substantial secondary meaning in the minds of relevant consumers.

10. Opposers are widely recognized as the source of origin of goods marketed and sold under the BABY ON BOARD Marks.

11. In addition to strong common law rights in the BABY ON BOARD mark, Opposers own numerous trademark registrations for the mark and several design variants around the world in connection with a wide range of goods. Included amongst Opposers' marks are United States Federal Registration No. 2898525, United States Federal Registration No. 4067357, United States Federal Registration No. 4133489, and United States Application Serial No. 77/782778 (hereinafter collectively the "BABY ON BOARD Marks"). Current printouts of information from the electronic database records of the United States Patent and Trademark Office evidencing the current statuses and titles of the registrations and application referenced herein are attached as Exhibit A.

12. Opposers' federal trademark registrations constitute constructive notice to others throughout the U.S. of Opposers' ownership of the registered BABY ON BOARD Marks.

13. Opposer Dorel Juvenile Group, Inc.'s United States Application Serial No. 77/782778 for the mark BABY ON BOARD covers use of the mark in connection with jeans, pants, and sweat pants, amongst other International Class 25 goods (*See* Exhibit A).

14. On May 22, 2011, Applicant filed U.S. Application Serial No. 85/326861 for the CONDOM ON BOARD! and design mark in connection with "Denims; Jeans; Jeggings, namely, pants that are partially jeans and partially leggings; Pants; Sport pants" (the "Application").

15. The Application seeks registration in connection with goods identical to goods claimed in Opposer Dorel Juvenile Group, Inc.'s prior filed United States Application Serial No. 77/782778, namely jeans, pants, leotards, tights, and sweat pants.

16. Upon information and belief, Applicant has no rights in the subject mark that existed prior to Opposers' rights in the BABY ON BOARD Marks.

17. Upon information and belief, Applicant's goods are marketed to the same purchasers and through the same channels of trade as Opposers' goods.

18. The literal element of Applicant's mark, CONDOM ON BOARD!, is intended to and is likely to deceive and confuse consumers as to its affiliation with Opposers' BABY ON BOARD trademarks and brand.

19. The dominant portion of both Applicant and Opposers' Marks is the ON BOARD element, and Applicant's mark is therefore likely to cause confusion, or to cause mistake, or to deceive, as consumers familiar with Opposers' mark are likely to believe that Applicant's goods are in some way affiliated with Opposers' goods, or related to Opposers' goods, so as to create a likelihood of confusion as to the source of the goods.

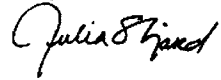

20. Applicant's use of its CONDOM ON BOARD! mark in connection with goods identical to those in Opposer Dorel Juvenile Group, Inc.'s prior filed United States Application Serial No. 77/782778 falsely suggests a connection with Opposers within the meaning of Section 2(a) of the Trademark Act, 15 U.S.C. § 1052(a).

21. Applicant's mark is likely to cause dilution of Opposers' famous BABY ON BOARD mark within the meaning of 15 U.S.C. § 1125(c).

22. Opposers would be injured by the granting of the registration sought by Applicant because Applicant's mark so resembles the BABY ON BOARD Marks as to be likely, when used on Applicant's identical goods, to cause confusion, or to cause mistake, or to deceive, or to falsely suggest a connection with Opposers, and to damage Opposers' goodwill in the BABY ON BOARD Marks.

WHEREFORE, Opposers hereby submit that Opposers would be irreparably damaged by the registration of Application Serial No. 85/326861 and pray that the registration be denied.

Respectfully submitted,

Dated: May 7, 2012
