**MOTION ON CONSENT TO SUSPEND PROCEEDINGS
AND TO EXTEND DISCOVERY PERIOD IF OPPOSITION IS RESUMED**

Opposer, by and through counsel, hereby moves for an order suspending the proceedings in this matter for a period of three (3) months, until **November 8, 2014**. The Applicant consented to this motion, which is requested for settlement purposes.

Significant progress has been made towards settlement of this matter. Since the last extension, Applicant reviewed the draft agreement that was prepared by Opposer, and accepted the terms. Applicant thereafter executed the agreement, and Applicant’s counsel signed the exhibit in the agreement, namely an amendment to the application at issue. Applicant’s counsel then relayed the signed copies of the agreement and exhibit to Opposer’s outside counsel. Opposer’s outside counsel reviewed the agreement, and forwarded the executed agreement to Opposer’s in-house counsel for final review. Opposer’s in-house counsel reviewed and executed the agreement, and relayed the fully-executed agreement to Opposer’s outside counsel. In

compliance with the terms of the agreement, Opposer's outside counsel then signed and filed the motion to amend. The additional time is requested to allow the Board to act on the motion to amend the application at issue that was filed by the parties. If the motion is accepted by the Board, the matter will be resolved and the opposition will be withdrawn. The discovery, trial periods and other periods should also be reset accordingly.
