Operations, LLC

v.

Michel Manz

Amy Matelski, Paralegal Specialist:

Opposer's consented motion filed August 11, 2014 to further suspend proceedings to continue settlement efforts is noted.¹

Opposer did not comply with the Board's request in its order dated December 9, 2013 which states the if the parties filed another request for an extension of time or suspension that they would be expected to report on the progress of any settlement negotiations. No report was filed. In view thereof, opposer's motion to suspend proceedings is denied.

Trial dates remain as set.

¹ Opposer's change of correspondence address, filed June 24, 2014 is noted and made of record.
