**STIPULATION TO SUSPEND PROCEEDINGS**

Subject to the approval of the Board, the parties stipulate and request that all proceedings be suspended for a period of one-hundred-twenty (120) days. Upon resumption of proceedings, the parties respectfully request that the initial disclosure and discovery deadlines be reset.

This request is not filed for purposes of delay. Rather, the parties continue to discuss settlement of this proceeding and have been diligent in seeking a resolution of this matter.

The parties believe that it will benefit both the parties and the TTAB to suspend this proceeding. In particular, a suspension of this matter will facilitate the parties' settlement discussions, and, if a settlement is reached, save the time and resources of both the parties and the Board. Accordingly, the parties submit that good cause has been shown to grant the suspension.

Opposer, through his agent Daniel J. Maier, consented to this request on February 28, 2013.

Respectfully Submitted,

Dated: March 11, 2013
