Eagle Creek, Inc.

v.

Eleven IP Holdings LLC

**Michael B. Adlin, Administrative Trademark Judge:**

On December 17, 2012, opposer filed a consented motion to extend the deadline for the required discovery conference to allow the parties time to discuss settlement. However, after an answer is filed, the Board will not, absent extraordinary circumstances not present here, find good cause to extend the deadline for the discovery conference for settlement negotiations, even upon stipulation or consent. See TBMP § 401.01; *Miscellaneous Changes to Trademark Trial and Appeal Board Rules*, 72 Fed. Reg. 42242, 42245 (Aug. 1, 2007); see also *Boston Red Sox Baseball Club LP v. Chaveriat*, 87 USPQ2d 1767, 1768 n. 1 (TTAB 2008). In view thereof, opposer's consented motion is **DENIED**. Conferencing, disclosure, discovery and trial dates remain as set in the Board's October 9, 2012 institution order. After the parties conduct the required
