Opposition No. 91207428

Texas Children's Hospital

v.

U.T. Physicians

**Yong Oh (Richard) Kim, Interlocutory Attorney:**

Proceedings herein are **SUSPENDED** pending disposition of opposer's motion to compel,<sup>1</sup> except as discussed below. The parties should not file any paper which is not germane to the motion to compel. See Trademark Rule 2.120(e)(2). The Board will schedule a conference on the motion upon receipt of respondent's response to the motion. A reply brief will not be necessary.

This suspension order does **not** toll the time for either party to make any required disclosure, to respond to discovery requests which had been duly served prior to the filing and service of the motion to compel, or to appear for a discovery

---

<sup>1</sup> Although styled as "Letter to Interlocutory Attorney Regarding Discovery Dispute and Request for Discovery Conference," opposer is clearly seeking to compel discovery.
