v.

MTC Marketing Inc AKA Common
Union

Karl Kochersperger, Paralegal Specialist:

Opposer's motion filed November 11, 2013 fails to indicate proof of service on applicant, as required by Trademark Rule 2.119.

Opposer is allowed *twenty days* to serve a copy of its filing on applicant and to re-file its motion including a proper certificate of service,¹ failing which this motion will receive no further consideration. Strict compliance with Trademark Rule 2.119 is required by opposer in all future papers filed with the Board.

Proceedings are suspended pending opposer's response to this order.

¹ It is noted that opposer's filing intends to dispose of this proceeding. As the filing fails to include a certificate of service, the Board is unclear as to whether the applicant has received a copy of this motion, even though opposer has included an "electronic signature" for applicant.
