Re: Emanuel Ungaro Italia S.r.l. v. Added Extras LLC – Opposition No. 91/207,983  
(Our Ref: C12644254)

Dear Ms. Krisp:

We have just been notified by Applicant today that my Declaration in Support of Opposer's Motion to Compel is missing page 2. Apparently, two pages stuck together while creating a pdf. The Motion to Compel was served on July 16, 2013 by hand, and a courtesy copy was simultaneously e-mailed to Applicant's counsel that same day. No exhibits are missing.

In any event, we are filing a "Corrected" Declaration that includes page 2 for the sake of completeness and so as to avoid any confusion. We have also sent the one missing page to Applicant by e-mail and dispatched a complete "corrected" Declaration to Applicant's counsel by hand.

Respectfully,

Ralph H. Cathcart
