**MOTION TO AMEND APPLICATION WITH CONSENT**

Pursuant to TBMP 514.02, the parties consent to an amendment to the goods and services description of application Serial No. 85420221 to the following:

“Software to enable uploading, posting, showing, displaying, tagging, blogging, sharing or otherwise providing electronic media or information over the Internet or other communications network, *but excluding software for delivery of computer-based content through a global network of testing and training centers*” in International Class 9;

“Advertising and advertisement, promotion and marketing services for providing electronic media or information over the Internet or other communications network, *but excluding exam-based training, certification and testing services*” in International Class 35;

“Audio and video broadcasting services over the Internet or other communications network, namely, uploading, posting, showing, displaying, tagging and electronically transmitting information, audio, and video clips; providing access to information, audio, and video via websites, online forums, chat rooms, listservs and blogs over the Internet; providing multiple use access to global computer information networks for the transfer and dissemination of information, audio and video clips; providing online chat rooms and electronic bulletin boards

for transmission of messages among users in fields of general interest, *but excluding exam-based training, certification and testing services*" in International Class 38;

"Education and entertainment services, namely, providing a website featuring audio clips, video clips, musical performances, musical videos, film clips, photographs, other multimedia materials and information in the field of audio clips, video clips, musical performances, musical videos, film clips, and photographs; On-line journals, namely, blogs featuring information in the field of audio clips, video clips, musical performances, musical videos, film clips, and photographs, *but excluding exam-based training, certification and testing services*" in International Class 41;

"Application service provider (ASP) featuring software to enable uploading, posting, showing, displaying, tagging, blogging, sharing or otherwise providing electronic media or information over the Internet or other communications network, *but excluding exam-based training, certification and testing services*" in Class 42; and

"Online social networking service, *but excluding exam-based training, certification and testing services*" in International Class 45.
