Premier Systems USA, Inc.

v.

DISH Network L.L.C.

Karl Kochersperger, Paralegal Specialist:

Opposer's¹ consented status report re-filed May 20, 2016 is noted. Opposer has included a status report of the expert depositions and provided a consented motion to continue suspension and trial schedule with a projected resumption date in approximately three months. Opposer's consented motion to continue suspension and resumption trial schedule is granted.

Accordingly, these consolidated proceedings remain suspended to allow the parties to take discovery with respect to designated expert witnesses.

In the event that there is no word from either party concerning the progress of their negotiations, upon conclusion of the suspension period, proceedings shall resume without further notice or order from the Board, upon the schedule set forth in Opposer's motion.

¹ Opposer's substitution of counsel filed April 5, 2016 is noted and the proceeding file has been updated with Opposer's new contact information.

In each instance, a copy of the transcript of testimony together with copies of documentary exhibits, must be served on the adverse party within thirty days after completion of the taking of testimony. Trademark Rule 2.125.

Briefs shall be filed in accordance with Trademark Rules 2.128(a) and (b). An oral hearing will be set only upon request filed as provided by Trademark Rule 2.129.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.²

² If the parties are (or during the pendency of this proceeding become) parties to another proceeding involving the subject application, the parties must notify the Board so the Board can consider whether consolidation or suspension of proceedings is appropriate.
