v.

Realty ONE Group, Inc.

George C. Pologeorgis,
Interlocutory Attorney:

Applicant's consented motion (filed June 19, 2015) to extend trial dates by sixty days to allow the parties to continue with their settlement negotiations is **DENIED** for failure to provide a status report pursuant to the requirements set forth in the Board's April 14, 2015, order. Specifically, the status report submitted with Applicant's consented motion to extend fails to identify the settlement activities which have occurred for each month of the previous three-month extension granted by the Board, i.e., dates upon which proposed settlement agreements have been provided for review (whether to in-house counsel or outside counsel), dates when the reviewed proposed settlement agreement has been provided to the adverse party, and dates when the adverse party has provided its comments.

In view thereof, trial dates remain as reset by Board order dated April 14, 2015.
