Opposition No. 91210223

Endo Pharmaceuticals Inc.

v.

The Endocrine Society

On July 29, 2013, the parties filed applicant's proposed amendment to its application Serial No. 85537093, with opposer's consent, and opposer's withdrawal of the opposition, contingent upon entry of the amendment.

By the proposed amendment applicant seeks to change the identification of services **from** "Employment hiring, recruiting, placement, staffing and career networking services; Job and personnel placement; Providing an on-line searchable database featuring classified ad listings and employment opportunities; Providing employment information; Recruitment and placement of personnel in the field of **health, medicine and medical research**"¹ to "Employment hiring, recruiting, placement, staffing and career networking services; Job and personnel placement; Providing an on-line searchable database featuring classified ad listings and

employment opportunities; Providing employment information;
Recruitment and placement of personnel in the field of
endocrinology."²

Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(a), and because opposer consents thereto, it is approved and entered. See Trademark Rule 2.133(a).

The contingency in opposer's withdrawal having now been met, the opposition is dismissed in accordance with the agreement between the parties.
