STIPULATION FOR ACCELERATED CASE RESOLUTION

The parties in this matter have conferred, and stipulate that this case should be decided at the summary judgment stage, pursuant to TBMP § 528.05(a)(2). The parties stipulate that the Board should treat the summary judgment filings as the final record and briefs on the merits of the case, and resolve any genuine dispute of material fact at that stage. As this matter involves both an opposition and a counterclaim for cancellation, the parties stipulate that the page limit for the summary judgment papers should be 50 pages for briefs and response briefs, and 20 pages for reply briefs, if any.

The parties further stipulate that the following schedule will apply:
