Opposition No. **91211979**

Genesco Brands, Inc.

v.

Points of Light Foundation dba
Points of Light

On February 5, 2014, and pursuant to the Board's order of January 13, 2014, applicant filed a renewed motion to amend its application **Serial No. 85586724**, with opposer's written consent, and opposer's withdrawal of the opposition, contingent upon entry of the amendment.

By the proposed amendment, applicant seeks to change the identification of goods in International Class 25 as follows (amendment in bold type):¹

From: Clothing, namely, shirts; and T-shirts; in International Class 25.

To: Clothing, namely, shirts; and t-shirts, **all the foregoing to be used in connection with the promotion of and fundraising for the trademark owner's non-profit initiative, which works to engage people and resources to address social issues through volunteerism and civic engagement;** in International Class 25.

¹ The unopposed classes, i.e., International Classes 35 and 41, remain unchanged.

Inasmuch as the amendment is clearly limiting in nature as required by Trademark Rule 2.71(a), and because opposer consents thereto, it is **APPROVED** and entered. See Trademark Rule 2.133(a).

The contingency in opposer's withdrawal having now been met, and because no answer is of record, the opposition is hereby **DISMISSED without prejudice**. See Trademark Rule 2.106(c).
