IN THE UNITED STATES PATENT AND TRADEMARK OFFICE
BEFORE THE TRADEMARK TRIAL AND APPEAL BOARD

In the Matter of: Trademark Serial No. 85711235

For the Mark: ASTR

Filed: August 23, 2012

Published: February 12, 2013

Alpinestars Research S.r.l.,

Opposer,

Opposition No. _____

v.

Kin Collective, Inc.,

Applicant.

NOTICE OF OPPOSITION

This opposition is made to the application of Applicant, Kin Collective, Inc., for registration of the mark above (“Applicant’s Mark”), Application Serial No. 85711235, published on February 12, 2013. Opposer, Alpinestars Research S.r.l., obtained extensions of time to oppose the application, to August 11, 2013.

Opposer believes it will be damaged by the registration of Applicant’s Mark, and hereby opposes the same. As grounds for its opposition, Opposer states and alleges as follows:

1. Opposer is a limited liability company organized under the laws of Italy, with its principal place of business located at Via De Gasperi, 54, I-31010 Coste Di Maser (TV) Italy.

2. On information and belief, Applicant is a corporation organized under the laws of California, with a principal place of business located at 620 S. Main Street, #607, Los Angeles, California 90015.

3. On or about August 23, 2012, Applicant filed a United States Trademark Application for Applicant's Mark, and was given U.S. Application Serial No. 85711235. The application was subsequently published for opposition on February 12, 2013, for clothing, namely, jackets, coats, tops, bottoms and dresses, in International Class 25.

4. Opposer owns and uses the trademark A-STARs and variations worldwide for, among other things, clothing, and owns numerous trademark registrations for the mark including:

a. U.S. Registration No. 3516714 for the mark A-STARs for use with bicycles, bicycle tire inner tubes, bells, rims, wheel rims, structural parts for bicycle gears being wires for actuating gears and brakes and for connecting a generator to a bicycle light, brakes, direction indicators, namely, direction indicators for bicycles; handle bars, bicycle pumps, spokes, saddles, chassis, kick stands; all for bicycles in International Class 12; and jewellery, namely, rings, bracelets, brooches, ornamental pins, charms; horological and chronometric instruments, namely, watches, sporting watches, wristwatches, waterproof watches, watch cases, in International Class 14; and

b. U.S. Registration No. 4030414 for the mark A-STARs for use with protective helmets, spectacles, spectacle cases, spectacle rings for lenses, spectacle lenses; frames, all for spectacles; pince-nez; sunglasses, eyeglasses and goggles for motorcyclists and motorists, protective glasses for motorcyclists and motorists; motorcycle safety equipment, namely, back protectors, protective bodysuits, knee protectors and protective suits for motorcyclists and motorists, in International Class 9; trunks, suitcases, parasols, umbrellas, knapsacks, walking sticks, handbags, traveling bags not attached to motorcycles or motorbikes, mountaineering bags, school bags, camping bags, wallets, purses, in International Class 18; and clothing articles namely, anoraks, trousers, shirts, pull-overs, jerseys, sweaters, skirts, jackets, blouses, blousons, jeans, sweat pants, gym

suits, pants, shorts, sweat-shirts, overcoats, coats, waist-coats, trench coats, suits for motorcyclists and motorists, namely, leather motorcyclist suits, motorcycle suits comprised of jackets and pants, motorcycle and motorist gloves, auto racing suits, socks, track suits, gloves, hats, caps, scarves, boots for motorcyclists and motorists, slippers, leisure time footwear for motorcyclists and motorists, in International Class 25.

(“Opposer’s Mark”). Copies of the certificates of registration and the TSDR information for the registrations are attached as Exhibit A herewith. The registrations are valid and subsisting.

5. Opposer’s Mark has been used continuously in advertising and promotional materials, and in other ways customary in the trade, to promote its goods throughout the United States and worldwide, and Opposer has developed good will through ownership and use of its mark. By reason of such advertising, promotion and widespread use, the consuming public recognizes Opposer’s Mark and associates the mark with Opposer and its goods.

6. Opposer’s Mark is inherently distinctive and is a strong mark, and should be accorded the broad protection given to strong marks.

7. Use by Applicant of Applicant’s Mark for which registration is sought in the application opposed herein is likely to cause confusion, mistake or deception as to the source of origin, sponsorship, or approval of Applicant’s goods in that purchasers or others are likely to believe that Applicant’s goods are Opposer’s goods or are in some way legitimately connected with, licensed by, or approved by Opposer. Use by Applicant of Applicant’s Mark for which registration is sought in the application opposed herein has lessened, and will continue to lessen, the capacity of Opposer’s Mark to identify and distinguish goods provided by Opposer.

8. Use by Applicant of Applicant’s Mark, for which registration is sought in the application opposed herein, is without Opposer’s consent or permission.

9. Applicant's Mark is so similar to Opposer's Mark as to be likely to falsely suggest a connection between Applicant and Opposer.

If any additional fees are required with this filing, they may be charged to deposit account number 061910.

Please address all communications to Dean R. Karau and Cynthia A. Moyer, Fredrikson & Byron, P.A., 200 South Sixth Street, Suite 4000, Minneapolis, Minnesota 55402-1425.

WHEREFORE, registration by Applicant of the aforesaid trademark for the aforesaid goods would be damaging to Opposer.

THEREFORE, Opposer respectfully requests that the application for registration be denied.

**REQUIREMENTS TO MAINTAIN YOUR FEDERAL
TRADEMARK REGISTRATION**

**WARNING: YOUR REGISTRATION WILL BE CANCELLED IF YOU DO NOT FILE THE
DOCUMENTS BELOW DURING THE SPECIFIED TIME PERIODS.**

Requirements in the First Ten Years*

What and When to File:

First Filing Deadline: You must file a Declaration of Use (or Excusable Nonuse) between the 5th and 6th years after the registration date. See 15 U.S.C. §§1058, 1141k. If the declaration is accepted, the registration will continue in force for the remainder of the ten-year period, calculated from the registration date, unless cancelled by an order of the Commissioner for Trademarks or a federal court.

Second Filing Deadline: You must file a Declaration of Use (or Excusable Nonuse) **and** an Application for Renewal between the 9th and 10th years after the registration date.* See 15 U.S.C. §1059.

Requirements in Successive Ten-Year Periods*

What and When to File:

You must file a Declaration of Use (or Excusable Nonuse) **and** an Application for Renewal between every 9th and 10th-year period, calculated from the registration date.*

Grace Period Filings*

The above documents will be accepted as timely if filed within six months after the deadlines listed above with the payment of an additional fee.

**The United States Patent and Trademark Office (USPTO) will NOT send you any future notice or
reminder of these filing requirements.**

***ATTENTION MADRID PROTOCOL REGISTRANTS:** The holder of an international registration with an extension of protection to the United States under the Madrid Protocol must timely file the Declarations of Use (or Excusable Nonuse) referenced above directly with the USPTO. The time periods for filing are based on the U.S. registration date (not the international registration date). The deadlines and grace periods for the Declarations of Use (or Excusable Nonuse) are identical to those for nationally issued registrations. See 15 U.S.C. §§1058, 1141k. However, owners of international registrations do not file renewal applications at the USPTO. Instead, the holder must file a renewal of the underlying international registration at the International Bureau of the World Intellectual Property Organization, under Article 7 of the Madrid Protocol, before the expiration of each ten-year term of protection, calculated from the date of the international registration. See 15 U.S.C. §1141j. For more information and renewal forms for the international registration, see <http://www.wipo.int/madrid/en/>.

NOTE: Fees and requirements for maintaining registrations are subject to change. Please check the USPTO website for further information. With the exception of renewal applications for registered extensions of protection, you can file the registration maintenance documents referenced above online at <http://www.uspto.gov>.
