Dear Members of the Madrid Team:

We are in receipt of a notice of irregularity issued on October 4, 2013 with respect to this extension of protection. The WIPO reference No. is 7653092, and the IB Document ID is 763463801.

We believe that the notice of irregularity was issued in error, and we respectfully request that it be withdrawn.

The description of the irregularity states that the notice of possible opposition was sent after the expiry of the 18-month time limit referred to in Article 5(2)(b). However, on January 19, 2012, your office transmitted a request for extension of protection to the USPTO, and on March 6, 2013, within the 18-month period, your office was notified of the possibility of an opposition and processed the notification on May 19, 2013.

We would appreciate it if you would look into this matter and advise us whether the notice of irregularity will be withdrawn.

Regards,
