The grounds for this request are as follows:

This request is made in good faith and is not for the purpose of mere delay. The parties have negotiated complete terms regarding the subject application and settlement of this matter. A draft settlement agreement and revisions have been exchanged, with the most recent revision exchanged on June 14, 2017. The parties agreed on the most recent revision earlier this year. Accordingly, since exchanging the initial draft settlement agreement, the parties have negotiated in good faith and have successfully reached a settlement that will resolve the issues such that there is no need to proceed with the opposition proceeding. The suspension is being requested to afford the parties additional time to finalize/execute the agreement.

Benecke-Kaliko AG has secured the express consent of all other parties to this proceeding for the suspension and resetting of dates requested herein.

Benecke-Kaliko AG has provided an email address herewith for itself and for the opposing party so that any order on this motion may be issued electronically by the Board.
