S & G Hampton Sun, LLC

v.

Hampton Native, Inc.

**George C. Pologeorgis,
Interlocutory Attorney:**

Applicant's consented motion to suspend for settlement filed on December 16, 2014 is **GRANTED**.¹

The Board notes, however, that pursuant to the trial schedule submitted with Applicant's consented motion to suspend for settlement Applicant's answer would be due on February 14, 2015. Applicant did not file its answer by the new deadline. Accordingly, notice of default is hereby entered against Applicant once again pursuant to Fed. R. Civ. P. 55(a).²

Applicant is allowed until **twenty (20) days** from the mailing date of this order to show cause why judgment by default should not be entered against Applicant in accordance with Fed. R. Civ. P. 55(b)(2).

¹ In light of this order, the Board's November 24, 2014, default notice is hereby set aside.

² Inasmuch as applicant is in default, the parties' obligations to hold the discovery conference, and to serve initial disclosures, are effectively stayed. See TBMP § 312.01.

Opposition No. 91213837

As a final matter, although the Board has granted Applicant's consented motion to suspend for settlement, the Board notes that Applicant did not comply with the directive of the Board's November 24, 2014, order which required the parties to employ the "general filings option" form when filing a request to extend or suspend for settlement. If the parties file another consented motion to extend or suspend for settlement, they must employ the **"general filings option" form** and include a proposed trial schedule. If either party files a consented motion to suspend or extend for settlement by utilizing the "consented motions form" option, said motion will be summarily denied.
