Attn: Trademark Trial and Appeal Board
P.O. Box 1451
Alexandria, VA 22313-1451

**CONSENTED MOTION TO AMEND APPLICATION AND,
IF ACCEPTED, TO WITHDRAW THE OPPOSITION**

Pursuant to Rule 2.133 of the Trademark Rules of Practice, Applicant DSK Solutions, Inc. respectfully requests that the above-captioned application be amended by amending the identification of services from “Consulting in the field of information technology; Design of information graphics and data visualization materials” to: “Technical consulting services in the field of data management, data analytics, and business intelligence analytics; Design of information graphics and data visualization materials.”

It is respectfully submitted that this amendment does not require republication as the amended identification of services narrows, rather than broadens, the scope of the application.

This amendment is made pursuant to an Agreement between Applicant and Opposer, DHK Enterprises, Inc., which has consented to this amendment. If the amendment is approved by the Board, Opposer, with Applicant's consent, requests that the opposition be withdrawn with prejudice.

CONCLUSION

Applicant respectfully requests that this request to amend the application be granted in its entirety. If such request is granted in its entirety, Opposer, with Applicant's consent, requests that the opposition be withdrawn with prejudice.

Dated: May 6, 2014

Respectfully submitted,
