*Johnson Controls Hybrid and Recycling  
GmbH*

*v.*

*VARTA Microbattery GmbH*

**Denise M. DelGizzi,  
Chief Clerk of the Board:**

On June 29, 2015, the Board suspended proceedings herein and remanded the involved application, Serial No. 79122927, to the Examining Attorney for further examination of additional issues.

On August 15, 2016, the Examining Attorney abandoned the application for Applicant's failure to respond to her January 7, 2016 Office action. The resulting abandonment of the involved application herein, however, does not dictate that judgment automatically be entered in this case.

Accordingly, opposer is allowed until **THIRTY DAYS** from the mailing date of this order to inform the Board whether it wishes to go forward and obtain judgment on the opposition. If opposer fails to respond to this order, the application will stand abandoned, and the opposition will be dismissed as moot.

Proceedings herein remain suspended.
