Opposition/Cancellation No. 91214531

Kings Autoshow Inc.

v.

Kings Nissan, Inc.

**INADVERTENTLY ISSUED REGISTRATION NO. 4535692**

A review of the record of the instant opposition proceeding reveals that on May 26, 2014, involved application Serial No. 85818063 inadvertently matured into Registration No. 4535692.

By way of background, on February 3, 2014, the Board suspended the instant opposition while the Office of the Deputy Commissioner for Trademark Examination Policy considered an amendment to the involved application. Inasmuch as the amendment, if approved, would expanded the rights that required notice to a third party, the application required republication.

Following republication on March 11, 2014, the application inadvertently registered. The application instead should have been forwarded back to the Board for resumption of the opposition proceeding.

Because the Board is without the authority to cancel an inadvertently issued registration, the matter is referred to the Office of the Commissioner for Trademarks

Opposition No. 91214531

for appropriate action.<sup>1</sup>

<sup>1</sup> The Office of the Commissioner for Trademarks may issue an order cancelling the inadvertently issued registrations and restoring application Serial No. 85818063 to pendency, subject to the instant opposition proceedings.
