Opposition No. 91215200

House of Bryant Publications, LLC

v.

The City of Gatlinburg

**Christen M. English, Interlocutory Attorney:**

On February 24, 2015, Opposer filed a motion to compel Applicant to produce documents. On March 17, 2015, the Board issued an order allowing Opposer ten days to submit to the Board a copy of Applicant's written objections to Opposer's document requests, which Opposer did on March 18, 2015. Applicant is allowed until **TWENTY DAYS** from the mailing date of this order to file a response to Opposer's motion to compel. Any reply brief is due in accordance with Trademark Rules 2.127(a) and 2.119(c).

The Board further notes Opposer's motion to extend, filed March 20, 2015. Applicant's response to the motion to extend and any reply brief are due in accordance with Trademark Rules 2.127(a) and 2.119(c).

Proceedings are suspended pending disposition Opposer's motions to compel and extend, except as discussed below. The parties should not file any paper which is not germane to the motions. *See* Trademark Rule 2.120(e)(2).

Neither the filing of the motion to compel nor this suspension order tolls the time for parties to make required discovery disclosures, or to respond to any outstanding discovery requests which had been served prior to the filing of the motion to compel, nor does it excuse a party's appearance at any discovery deposition which had been duly noticed prior to the filing of the motion to compel. When the motion to compel is filed after discovery has closed, but prior to the opening of the first testimony period, the time period for making pretrial disclosures is suspended. *See* Trademark Rule 2.120(e)(1); TBMP § 523.01.

Opposer's motions will be decided in due course.
