SAMBA FINANCIAL GROUP,

Opposer,

v.

THE SMALL-SCALE SUSTAINABLE
INFRASTRUCTURE DEVELOPMENT FUND,
INC.,

Applicant.

Opposition No. 91215600

APPLICANT'S CONSENT MOTION TO AMEND APPLICATIONS

Pursuant to 37 C.F.R. § 2.133 and § 514 of the Trademark Board Manual of Procedures, Applicant The Small-Scale Sustainable Infrastructure Development Fund, Inc., through its attorneys, hereby respectfully moves the Board to amend the two opposed applications at issue in the instant case, specifically portions of the identification of goods and services contained therein. Opposer Samba Financial Group has consented to this Motion to Amend Applications.

Applicant requests the following changes to Class 036 services set forth in Application Nos. 85/941,952 and 85/941,957 (proposed new language underlined and proposed language for deletion stricken through):

Facilitating and arranging for the financing of business development ~~loans and providing other types of financing to~~ and for the poor and other entrepreneurs in developing countries, ~~namely, financing in the form of equity and partial risk guarantees.~~

Such that the identification of services be amended to state:

Facilitating and arranging for the financing of business development to and for the poor and other entrepreneurs in developing countries.

As grounds for this motion, Applicant states that the above proposed amendments accurately convey the goods and services that Applicant offers in conjunction with the applied-for marks, which are the subject of the two applications at issue in this matter. Moreover, and in compliance with 37 C.F.R. § 2.71(a), the proposed amendments serve to clarify and limit but in no way broaden the identification of goods and services.

WHEREFORE, Applicant requests the Board to amend the opposed applications in the manner described above.
