STIPULATED MOTION TO AMEND APPLICATION

Pursuant to Rule 2.133(a) of the Trademark Rules of Practice, Applicant, with Opposer's consent, respectfully requests that the above identified application be amended to as follows:

Clothing, namely, leisure wear in the nature of polo shirts, sweaters, scarves, ties, casual jackets, outerwear, namely, waterproof jackets, jean jackets; shirts, pants, t-shirts, baseball caps, sweatshirts and hooded shirts, polo shirts, jeans and sportswear, namely, ski wear and tracksuits; headwear; all for use in connection with charitable fundraising, namely, fundraising to promote the humanitarian legacy of Nelson Mandela in International Class 25.

Applicant further, with Opposer's consent, respectfully requests the description of the mark appearing in the application be amended as follows:

Color is not claimed as a feature of the mark. The mark consists of a handprint with the numbers 46664 appearing underneath. The number 46664 represents the inmate number given to Nelson Mandela when he arrived at Robben Island Prison in 1964.

It is respectfully submitted that these amendments do not require republication because the amendments to the description of goods and the description of the mark narrow rather than broadens the application's scope.

Pursuant to the Trademark Trial and Appeal Board Manual of Procedure § 510.03(a), the

parties respectfully request that the Board suspend this proceeding until it has considered and ruled with regard to the proposed amendment.
