OPPOSER'S MOTION TO EXTEND THE TIME TO RESPOND TO APPLICANT'S MOTION TO AMEND THE IDENTIFICATION OF GOODS

Opposer hereby moves the Trademark Trial and Appeal Board for an extension of time to respond to applicant's May 2, 2015 motion to amend the identification of goods from May 22, 2015 to and including June 11, 2015. Counsel for applicant previously agreed that the time for responding to this motion would be stayed when parties filed the motion to suspend proceedings on May 11, 2015. However, in speaking with the interlocutory attorney in this opposition today, Robert Coggins, Esquire, the undersigned was advised that the suspension did not affect this motion's due date.

As grounds for this motion, opposer requires additional time to confer with counsel to decide whether to oppose the motion and, if so, to prepare and file any such opposition. Additionally, since the parties are considering settlement, the

motion will be moot if the parties reach settlement. Further, this will save resources of the Board and the parties in not having to further brief and decide the motion if the parties reach settlement.

For the foregoing reasons, opposer respectfully submits that it has shown good cause for the short extension of time and requests that the motion by granted.

Respectfully submitted,

MOONLITE BAR-B-Q INN, INC.
