Infocus Corporation

v.

Quest International Users Group, Inc.

Joi M Wilson, Paralegal Specialist:

Applicant's stipulated motion (filed February 24, 2016) to suspend this proceeding for thirty days is granted.

Because the parties are negotiating for a possible settlement of this case, proceedings are suspended up to, and including March 24, 2016, subject to the right of either party to request resumption at any time. *See* Trademark Rules 2.117(c), and 2.127(a); and TBMP § 605.02.

The Board notes that since August, 2014 the parties have effected numerous requests to suspend for settlement, yet settlement has still not been reached. The Board finds that it has afforded the parties ample time to settle this matter, including the suspension provided in this order.

Accordingly, the Board will not entertain any further requests to extend or suspend for settlement (whether consented to or not) absent a showing of

extraordinary circumstances. Failure to reach settlement and/or file the appropriate papers which resolves this matter within the time provided therein does not constitute extraordinary circumstances.

In the event that there is no word from either party concerning the progress of their negotiations, upon conclusion of the suspension period, proceedings shall resume without further notice or order from the Board, upon the schedule set forth below.

Applicant is allowed until **March 25, 2016** in which to answer the notice of opposition. Conferencing, disclosure, discovery and trial dates are reset as follows:

In each instance, a copy of the transcript of testimony together with copies of documentary exhibits, must be served on the adverse party within thirty days after completion of the taking of testimony. Trademark Rule 2.125.

Briefs shall be filed in accordance with Trademark Rules 2.128(a) and (b). An oral hearing will be set only upon request filed as provided by Trademark Rule 2.129.

If, during the suspension period, either of the parties or their attorneys should have a change of address, the Board should be so informed.¹

¹ If the parties are (or during the pendency of this proceeding become) parties to another proceeding involving the subject application/registration, the parties must notify the Board so the Board can consider whether consolidation or suspension of proceedings is appropriate.
