Opposition No.

NOTICE OF OPPOSITION

Opposer, Bliss World LLC (“Opposer”), a limited liability company organized and existing under the laws of Florida, believes that it will be damaged by registration of the mark as shown in the above-referenced intent-to-use application for AGEBLISS for “cosmetics, hair care preparations, non-medicated skincare preparations,” and hereby opposes same.

As grounds for the opposition, Opposer, through its attorneys, Fross Zelnick Lehrman & Zissu, P.C., alleges as follows:

1. Opposer operates BLISS day spas offering facials, skin treatments, manicures, pedicures, massage and other services in the U.S. in New York, Chicago, Los Angeles, Hollywood, San Francisco, Dallas, Miami Beach, Fort Lauderdale, Atlanta, Boston, Washington, D.C., Scottsdale, Arizona and Hoboken, New Jersey, as well as in several foreign countries. Opposer’s BLISS cosmetics and toiletries (including skin care and hair care preparations) are sold at high-end retail stores, such as Sephora and Macy’s, as well as in BLISS spas. Opposer also sells its BLISS cosmetics and toiletries through its BLISS mail-order and e-commerce business at www.blissworld.com. Regarding the AGE prefix in the Applicant’s mark, some of the BLISS skin care preparations of Opposer help improve the health or appearance of aged or damaged skin, such as

BLISS FIRM, BABY FIRM “anti-aging serum.” Printouts showing various BLISS skin care and hair preparations from the Opposer’s e-commerce site are attached as Exhibit A. All of these rights of Opposer pre-date the April 11, 2014 filing date of the opposed ITU application.

2. Opposer owns two valid and incontestable U.S. trademark registrations for BLISS, U.S. Reg. No. 2,913,434, for “skin moisturizer, body scrubs, skin soap, shower gel, body firming gels and lotions, skin masks, hand cream, facial cleansers, skin toners, exfoliating body scrubs,” and Reg. No. 2,116,892 for “health spa services,” among other applications and registrations.

3. Upon information and belief, Applicant has no basis to claim an earlier priority date in the U.S. than its filing date, April 11, 2014.

4. Applicant’s mark AGEBLISS so resembles Opposer’s mark BLISS as to be likely, when applied to the goods of Applicant, to cause confusion, or to cause mistake, or to deceive.

5. Opposer would be injured by the granting to Applicant of a Certificate of Registration for AGEBLISS because this would tend to damage Opposer’s goodwill in its mark.

6. By reason of the foregoing, Applicant is not entitled to register the mark in the application herein opposed.

Dated: New York, New York
July 23, 2014

Respectfully submitted,

FROSS ZELNICK LEHRMAN & ZISSU, P.C.

5/5 ⭐⭐⭐⭐⭐

I cannot believe how amazing this product made my skin look and feel. I waiting 24 hours after performing the facial to review so I could supply honest feedback for anyone wanting to use the system but worried about the chemicals and skin sensitivity. I have no skin irritation, the scent of each product was very pleasant and my skin color is even for the first time. I will continue to order this product and would recommend it to anyone.

bliss micromagic microdermabrasion treatment

Margaret

on 6/29/2014

5/5

I received as a gift and truly love this product. It is intense exfoliation. A little goes a very long way, so a tube should last about a year (or more). It's excellent for the face, neck and body. I like the cooling effect for a acne-prone days. This is better than any exfoliation scrub I've ever tried (and I've tried many due to having had cystic acne as a teen.) The biggest complaint with other scrubs has been a lack of grains. This contains enough grains to do an amazing scrub and leaves new, fresh skin. The grains are also tiny (but so many) that my skin is a smooth finish. It also seemed to unblock pores. It is worth the price.
